• **ANOTHER SUCCESS!** The Panther Academy will again host boys and girls for their basketball camp! Coach Barber has lined up quality coaches for both groups and looks forward to teaching and working with all campers. We continue to grow and in 2017 we were at capacity. So please reserve your spot soon.

• **Affordable Price** In an attempt to keep things affordable we are trying to keep the price lower than other comparable camps. Even though costs of conducting the camp have gone up in recent years we are trying to keep your cost down because WE BELIEVE IN THIS CAMP and its ministry, so we want to keep the prices down in hopes of making it affordable for everyone who wants to attend. - Coach Barber

• **Early Registration Savings.** Register in February, take \$25 off the total cost. Register in March, take \$10 off the total cost.

AN OLD SCHOOL CAMP!

"The Panther Academy is an old school camp, lasting all day from 9am-9pm. Our intent is to nurture relationships both on the court and in the dorm. We want it to be a fun-filled week of basketball instruction, learning, and competition. At the end, your sons and daughters will hopefully have gained memories and friendships for a lifetime, and will return home physically fatigued but thoroughly satisfied." - Coach Barber

CHRISTIAN CAMPING

An integral part of our camp is our coaching, teaching, and instruction in a Christian atmosphere. Each morning we start camp with prayer and a daily challenge - a motivational start for the day's activities. Each evening we have praise and worship with a worship leader (singing and music), and a message from a Christian perspective. Although we are about lots of basketball, this sets us apart as a camp with

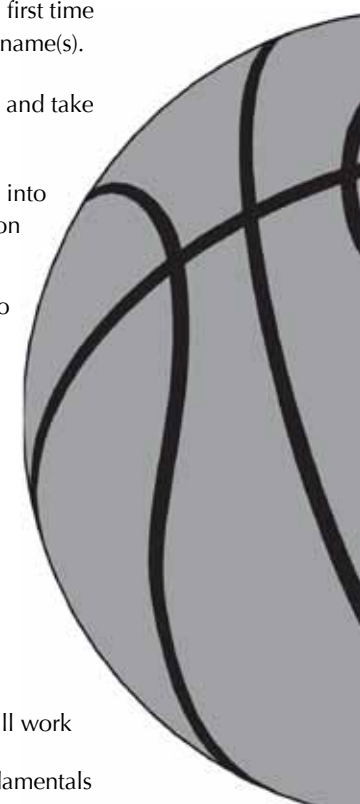

SOMETHING MORE TO OFFER.

Do you want to improve your game in...

- Offensive individual open court moves
- Ball handling and scoring
- Post moves for scoring
- Team offensive fundamentals, screening, cutting, & drill work

- Team defensive fundamental and drill work
- Individual defensive skills
- Full court pressing defense and fundamentals

* **The NCAA has a required rule regarding an educational component at all basketball camps offered on college campuses. The Panther Academy mission and goals will embrace this addition with an added session on seven statistically proven ways to improve your grades in school, and National Academic standards for athletic participation in college.**

CAMP DIRECTOR Coach George Barber

Dr. George Barber and Coach Roy Mulholland, Associate Director, are in their 19th seasons as head men's & women's basketball coaches at Greenville College. Before arriving as head coach at Greenville, Barber served for 3 years as an assistant coach at Division I, Bradley University. Prior to that, he was on Rick Pitino's staff at the University of Kentucky where in 1996 the team won a Division I National Championship. Coach Barber is a veteran of the basketball camping scene and has coordinated hundreds of staff and thousands of campers as a coach. He has been a coach on staff at the prestigious 5-star basketball camp where camp teaching legend Howard Garfinkle quipped about Barber's defensive station, "Great station, not good, not good, but Great!" He has also worked with Hoop Heaven camps out of New York City, and with the 1998 USA Olympic Development team. Hoop Heaven ministers to NY City kids through means of basketball. He has coached a National Christian College Athletic Association All-Star team in the Czech Republic, Europe, as well as having coached in Beijing, China and, with Coach Mulholland, taken his own teams from Greenville to Europe, Central and South America where they went 24-3 in international competition. Coach Barber and Coach Mulholland's teams both won Championships last season. (MBB - SLIAC and WBB-NCCAA)

About the Academy

The Academy will provide instruction on how athletes need to develop their basketball skills during the week of camp. It will also instill practice ideas and drills for use beyond the camp schedule. It is our intent to see players improve both their offensive and defensive skills, and motivate them in such a way that they will continue on in the practices learned throughout the summer and school year. Each group of campers will have an individual coach who will work with them and coach them throughout the week.

GREENVILLE COLLEGE BASKETBALL

Greenville College Basketball competes to make the "Big Time Where We Are" and claims Romans 12:2 as their cornerstone verse, paraphrased to say, "Don't copy the customs and behaviors of the world (even in sport!) but let God transform how you think, then you will begin to know His will for you which is good, pleasing and perfect." Greenville players are voted regularly to all-conference teams NCAA III, and as a member of the National Association of Christian Colleges, All-American squads, and has been awarded the SLIAC sportsmanship trophy six seasons in a row. Both the men's and women's teams of GC placed 1st this past season in academic all conference players. These same players will be coaches and dorm staff at the camp. Last season, the WBB team won the NCCAA National Championship and the MBB won their conf-while leading the national scoring at 130 ppg.
